

JTT - JUNIOR TEAM TRAINING

Sessions are long-term development programs consisting of small groups with a student teacher at or below 6:1. The 10 month JTT program is designed to build better players and develop their skills to a desired level. Times are scheduled in advance at (www.jordanyounggolf.com) based on your level of programming set by your instructor. The message of each lesson is delivered to the group and then to the individuals skill level. JTT is best for enthusiastic to committed players. For the following programs payment MUST be made by credit card. Programs are 10 months (January - October). Once a student is enrolled he/she is encouraged to complete the program. Students can upgrade at any time during the season. The **Benefits:** The frequency and duration is the most important factor. This is a FUN program where skills are sustainable. - **Loyalty Program**

Members who complete all 10 months within the JTT season will earn 2 complimentary rounds of golf at Golden Fox after October 1st. This will need to be scheduled with your instructor.

2017 JTT RULES

- **Balls from Performance Center**

Ask permission from the PGA/LPGA professional staff if your card is exhausted of monthly quota of golf balls; you will be required to pay for the additional balls

- **Permission to Play**

Use your JTT Member Card to get course access for your 2 rounds/month. **These must be approved by your instructor and with the golf staff prior to your arrival or play.** Once your monthly allotments are used up, it is your responsibility to see Jordan Brown to re-issue new monthly quotas

- **Scheduling**

You are required to Email your selected schedule to your instructor once the schedule is released. Availability is on a first come, first serve basis and each class has a maximum of 6 students. You must schedule your private lessons during the month. **PRIVATE LESSONS WILL NOT CARRY OVER**

- **Make Ups**

Make ups are allowed but not encouraged. In the past, we honored makeup sessions in November and December with private lesson "trade-offs". For the JTT program to be most effective, the students must OWN their game, their responsibility and their ability to schedule and plan their practice frequencies accordingly. We will work with your scheduling needs, but would ask that all students keep to the dates offered by the PGA/LPGA professional staff
