

JORDAN YOUNG GOLF

Thank you for your interest in learning more about your swing and improving your golf game. I look forward to the opportunity to work with you. My goal for all students is to bring clarity to their own swing, their own performance state, and self-diagnose their issues. As a result, students become better prepared with the tools to lower their scores. Ultimately, this makes the game more enjoyable! Our facility is one of the best in the Midwest and I am certain you will enjoy what we have to offer, no matter what time of the year your training may start.

For new students, junior or adult, I start with an “On-Ramp” session. This is a 90 minute evaluation that involves a variety of base line tests. It also allows the student to get familiar with the facility, the technology and our staff. An initial student profile is usually completed before the “On-Ramp” which helps with future planning and building the proper program for your individual needs. The base line tests evaluate many areas. They include; balance, tempo, tension, fitness, body movement patterns, coordination, equipment, swing mechanics, swing efficiency, foot pressure patterns, speed and swing characteristics. You may not even know you are being tested at times, so don’t be afraid!

We have several technologies used to test and record data and we use them carefully with each student. The use of these devices helps provide exact numbers and allows for instant biomechanical feedback from swing to swing. This speeds up the development process for you!

- Your club delivery data and ball flight is tracked by FLIGHSCOPE
- Your foot pressure trace is measured with BODITRAK
- Your swing video is provided by V1 PRO SOFTWARE
- Your golf content can be stored with your EDUFII Training Space
- Your statistics can be tracked using our Fox Hills BIRDIEFIRE App

Once your evaluation is complete, most students continue with a 3-lesson package and then move towards Junior Team Training (JTT) or Adult Team Training (ATT) program. These programs run all season long and come with additional benefits between April and November. JTT groups have a ratio of 6:1 or less while ATT is 4:1 or less. They are billed monthly; JTT has 4 levels while ATT has 3 levels. Each has a slightly different commitment in regards to time and fees. Most importantly, the frequency and duration of these training sessions provide the best environment to improve and lower your scores. So, let’s get started and schedule your “On-Ramp”! I can place you on a path to better golf.
